The oculoplastics, lacrimal and orbital surgery course is currently going on at the department of ophthalmology, University of Nairobi. During the training, many patients are benefiting from specialised oculoplastic/ orbit surgeries done at the Kenyatta national hospital. The guest trainers are Dr Daniel Ezra, from Moorfields eye hospital and Dr Ben Parkin, from Bornmouth, UK. The local faculty includes Dr Nyenze E(university of Nairobi), Dr Wachira Wambugu (Kenyatta National Hospital) and Dr Rhoda Munene (Kenyatta National Hospital). The trainees are the current post graduate students in the department joined by some 14 practising ophthalmologists from the Eastern, Central and Southern Africa (ECSA) region..
